Key Priorities for 2017

Enhance the academic achievement of students in:

- **Writing**
  Students will develop quality writing practices to effectively communicate for a range of purposes.

- **Spelling**
  Students will develop effective skills in employing a range of strategies to support the use of correct spelling.

- **Numeracy**
  Students will develop their competence and confidence in Working Mathematically.

- **Closing the Gap**
  Close the Gap in Literacy and Numeracy between Indigenous and Non-Indigenous students.

**TARGET:**

Achieve set targets in Literacy and Numeracy in the upper two bands of NAPLAN and in A and B achievement scales.

Enhance the social and emotional wellbeing of students by:

- Cultivating a culture of “Everyday Leadership” and Inclusive Practices.
- Embedding the “Lead to Succeed” program.
- Developing, nurturing and extending community relationships.
