

# Key Priorities for 2018

- ***ONE YEAR'S PROGRESS FOR ONE YEAR OF SCHOOLING:***

In 2018, every student will make at least one year's progress in Reading, Writing and Numeracy.

- ***NUMERACY:***

Students will develop and apply higher order thinking skills through engaging in problem solving and investigative learning.

- ***PEDAGOGY:***

Classroom Pedagogy will reflect:

- Marzano's high yield strategies from "The Art and Science of Teaching"
- ICT General Capabilities
- Australian Professional Standards
- Our school's Inclusive Practices Philosophy

- ***CLOSING THE GAP:***

Targeted support and intervention will be provided to all Indigenous students to enhance their achievement in Literacy and Numeracy.

- ***SOCIAL AND EMOTIONAL WELL-BEING:***

Cultivate and embed a culture of "Everyday Leadership" within our school community.
