PERMISSION FOR USE OF STUDENT’S WORK
AND SOUND AND/OR VISION

Please read this consent form carefully. By signing the form you are agreeing to allow the State of Queensland, acting through the Department of Education and the Arts (“the Department”), to use sound and/or vision of you, the student, or your work for any use, within the limits of item 5. However, if circumstances change in the future and you wish to withdraw your consent, it is your responsibility to contact the Department in writing and inform them of your wishes.

This document gives the State of Queensland (the State”), acting through the Department of Education and the Arts (“the Department”), permission to use works created by students in the course of their studies, or to use sound and/or vision of the student, for purposes associated with the promotion of the Department or the State. This does not mean that you, the student, lose ownership rights over your works — simply that the State and the Department has permission to use your works for the purposes mentioned. Please be aware that work created by you may contain the work of a third party that may be subject to copyright. Permission must be obtained before any copyright work of a third party can be published.

1. During the course of my studies provided by the Department, I may create works that attract intellectual property rights (for example, copyright). These works may form part of my academic assessment or my studies generally.

2. These works might include my written work (eg stories and poems), paintings, pictures, drawings, designs, photographs, videos, films, music, performance, computer programmes, web sites, sculptures, fashion or costume, metal or wood works or any other works I create.

3. The State or the Department may record sound and/or vision of my works and me whilst I am at school or taking part in school-related activities or performances. I also understand that my name may be used in connection with the works.

4. The State and the Department understands that I own the intellectual property rights for my works, my sound and my vision, and that this consent form is not meant to transfer my ownership.

5. I give permission to the State acting through the Department, to use my works, my sound/vision, and/or my name for:
   i. media activities;
   ii. promoting and advertising of the State or the Department and its students;
   iii. the State or Education Queensland publications;
   iv. any commercial or other purpose;
   v. any activities, if any, identified in the attached schedules.

The State and the Department understand that I may choose to give this permission to other people, but I understand that such further consents are subject to the rights given to the State and the Department in this consent.

6. I understand that by giving this permission, the State and the Department can use my works, my sound and/or my vision in any way it chooses, for the purposes described above. It may reproduce them in any form, in whole or in part, and distribute them by any medium including the Internet, CD-ROM, or other multimedia uses.

7. I understand that my works, my sound and/or my vision may be kept on file for an indefinite period of time and that they may be used in the future by the State and the Department for the purposes listed in item 5.

8. I warrant that the State and the Department will not infringe the rights of any third party by exerting its rights given in this consent.

9. I understand that the State or the Department will not pay me for giving this permission.

10. I understand that the State or the Department are not bound to use sound or vision of my works or me.

11. If I decide to withdraw my permission at any time, I understand that it is my responsibility to contact the Department and inform them of my decision in writing.

12. I agree that if I withdraw my permission, the withdrawal will not be effective immediately where the State or the Department has entered into contractual obligations in relation to any of my works, sound and/or vision. In such cases my withdrawal will be effective after the contractual obligations come to an end.

Parent or Guardian:
I understand that the Internet can provide students with valuable learning experiences.

I also understand that it gives access to information on computers around the world; that the school cannot control what is on those computers, and that a very small part of that information can be illegal, dangerous or offensive.

I accept that, while teachers will always accept their duty of care, protection against exposure to harmful information should depend finally upon responsible use by students.

I believe _______________________(name of student) understands this responsibility, and I hereby give my permission for him / her to access the Internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include loss of Internet access for some time.
